

House Rules

- Barn hours 8 a.m. to 10 p.m. 7 days a week. Then GO HOME!
- Insurance requires that ALL RIDERS UNDER 18 WEAR HELMETS WHILE MOUNTED.
Sorry guys, no exceptions.
- Let a ground person know you are riding, ride with another boarder, bring your hubby but ABSOLUTELY, POSITIVELY NO RIDING ALONE!
- If you need it, ask. If you borrow it, put it back. If you mess it up, clean it up.
If you break it, we'll talk...
- Last one out of the barn - lights, water, gates and doors. No roaming ponies or flooded aisles.
- Please keep our horses mannerly by putting treats in their buckets, not in their mouths.
- Keep aisles clear for the manure fairy and her tractor.
- This isn't a golf course but we like the lawn. No riding or grazing in front of the barns or around the house.
- Designated riding areas - All pastures and property behind the pastures. Watch for groundhog holes and wildlife!
- Community Refrigerator, donations accepted.
- Cuss words in front of kids = \$.25. Manure left in the arena = \$1.00.
All proceeds go to Daniel Vas' college fund.
- The phone is for emergencies or calling your mother. Leave a quarter for the latter.
- Take it easy on our utility bills.

No whining, no cussing, no fighting, no yelling, no bad attitudes,
no big shots, no know-it-alls.
